

COLLAGE-BY-NUMBER

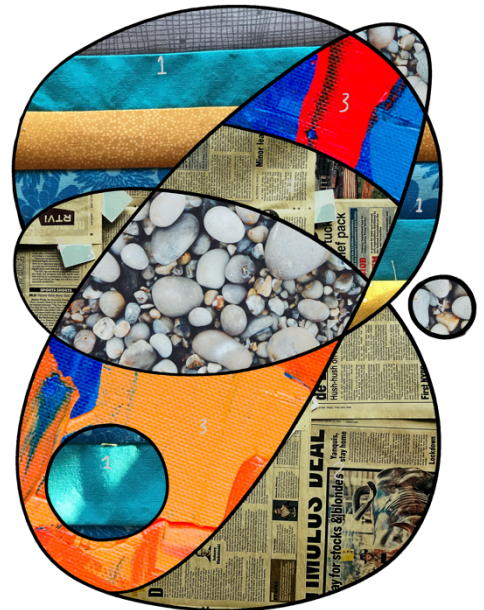

Make an abstract collage using this collage-by-number template! What is a collage-by-number? It is just like a paint-by-number, but with found materials. We have provided a template and it is your job to fill it in.

DIRECTIONS:

1. Print the collage-by-number template.
2. Look around your home for items you can use to make a collage. Search for different colors and textures, maybe use some human-made items and some natural items you find outside. Add your items to the list of numbers below.
3. Glue the materials into places with corresponding numbers on the collage-by-number template.

MATERIAL SUGGESTIONS:

- Magazine clippings
